

23 Sept 2019

Dear Friends and Colleagues,

The [International School Psychology Association \(ISPA\)](#) and the [Local Organizing Committee](#) are pleased to announce that the [42<sup>nd</sup> Annual Conference ISPA 2020](#) will be held in **NICOSIA, CYPRUS** from **14 to 17 July 2020**.

The **theme of ISPA 2020** is **"WORKING WITH SCHOOLS & FAMILIES TO STRENGTHEN CHILDREN"**. It was developed with a forward looking vision to recognize that all children need to be strengthened to face the challenges of today and the demands of tomorrow. The [Hot Topics of ISPA 2020](#) highlight key areas in which the science and the practice of school psychology and related fields can be applied to strengthen children. We look forward to a rich and inspiring scientific program with [invited keynote lectures](#) by distinguished international scholars and [thematic sessions](#) that feature symposia, poster and paper presentations, workshops, round table, panel and special interest discussions, and interaction groups.

The [call for abstracts](#) will open on November 15<sup>th</sup> 2019 with a deadline for submissions on March 1st 2020. The official language of the conference is English. Whether you are a practitioner, a student, a trainer, a researcher, or a policy maker in school psychology and related fields we welcome your participation at ISPA 2020. **We invite your submissions** to the scientific program with research, case studies and professional topics in areas such as assessment, evaluation, intervention, health promotion, prevention, consultation, program development, training, ethics, professional development, methods etc.

**SAVE THE DATES** for **ISPA 2020** on your calendar and check out [important dates](#).

Don't miss optional opportunities to enrich your experience while at ISPA 2020 by participating in a strong [pre-conference workshops program](#) and conference tours to be announced soon.
